

## An Important Update Regarding Your Care

*Dr. W.P. Olszynski will retire from active practice in September / October 2026.*

*Dr. Shreya Sathaye will assume the full care of his patients.*

Dear Patients of Dr. W.P. Olszynski,

After many years of dedicated service to patients across Saskatchewan, Dr. W.P. Olszynski has made the decision to retire from active practice in September/October 2026. We are grateful for everything he has given to his patients and to the broader rheumatology community in this province.

We want to reassure you that your care is fully provided for.

### WHAT THIS MEANS FOR YOUR CARE

#### TAKING OVER YOUR CARE

#### **Dr. Shreya Sathaye**

M.B.B.S., FRCPC — Fellowship-trained Rheumatologist

#### YOUR MEDICAL RECORDS

#### **Fully transferred**

Dr. Sathaye will have complete access to your history and treatment plan

#### EFFECTIVE

#### **September / October 2026**

You will receive confirmation of your new appointment details

#### YOUR SUPPORT TEAM

#### **Staying with you**

The staff you know will remain — same familiar faces at every visit

Dr. Sathaye is a fellowship-trained rheumatologist who has experience in treating a variety of rheumatologic conditions. She will have full access to your medical history and an uninterrupted picture of your treatment plan from day one. You do not need to do anything to transfer your records.

The support staff you have come to know over the years are not going anywhere. They will continue working alongside Dr. Sathaye, so your appointments will feel familiar from the first visit.

#### FAREWELL

### **Dr. W.P. Olszynski**

Rheumatologist — retiring September / October 2026

Dr. Olszynski's commitment to his patients over the course of his career has left a real mark on this community. We wish him a long, healthy, and genuinely well-deserved retirement.

#### WELCOME

### **Dr. Shreya Sathaye**

M.B.B.S., FRCPC — Fellowship-trained Rheumatologist

Dr. Sathaye brings fellowship-level training and a patient-first approach to her practice. We are very pleased to welcome her to our clinic.

We understand that change can raise questions. If you have any concerns about your upcoming care or would like to speak with someone before your first appointment with Dr. Sathaye, please do not hesitate to call us.

Yours sincerely,
